Seeking bold prayers for 2019 : helping to reach the lost, the abused and the world WWW.SIIUCRIMES.COM ©

In seeking to save a child and protect the child from abuse... Wilfred Wong a great hero in England was arrested and jailed. The reporting in Wales and the BBC is that the child was 'kidnapped' ... as you know England has a great problem of cover up and suppression of pedophiles, satanic ritual abuse and its connection to secret societies, corrupted officers and government officials.

See the film by Tom Dunn here.. And it is very clear to all of us... we must ramp up the massive prayer, intercession and warfare prayers. And we much push for the deepest exposure of the perps than even. God does will it! Ezekiel 8.
