Theme: **NON-HUMAN INSPIRATION**

**The ship sailing into and the shaping of final
history of humanity**

The Devil speaks, assimilates and then acts. He is
breathing down the brains and into the hearts of billions

...where satan has his throne R2:13

An active dark thread through the systems of human history can be seen...*if looked for by those who know*. This supra-dark inspiration has stalked, drawn, assimilated and is shaping final human history. Humanity is being enticed, steered, directed, embraced and corralled into a 'collective that is the final interface of the non-human with the human. They walk among us or should I say they rage against us..... they have since the beginning when they got the right to do so. Humanity who is being eaten alive by this dark menace has done this, *we opened the door to the hounds of hell*, and they are running circles around the best of fallen humanity. They have an agenda and that agenda is:

Radically evil, focused on the whole earth (the sum total of humanity R 12), supernaturally powerfully and with unprecedented growth is bleeding into everything. They are supra human with powers; they are upon and attached to this broken human race and its very future. They are seeking, inspiring, seducing, tempting, lying to billions with a goal for..... *the 'sum total of human population*.

This dear friend must be understood by the church *In our final hour* (1 John 2)
They are infused, embedded and manifesting in many ways. Each one with satan being the beast above them all are stalkers, a menace, a terror, an instigator, agitator, brutes and liars. They are moving to accomplish a very ancient agenda, this is what the world is clueless about and this is what believers must clearly understand if they are going to be the powerhouse Christ intended.

What are they doing? How do we know it and what can be done about it? If this is all true what can mere..... fallen, corrupted, powerless humanity do?

The five broadcast messages this week are:

LUCIFERIC INFUSION BECOMES POLITICAL IDEOLOGY
LUCIFERIC INFUSION BECOMES MILITARY VISION
LUCIFERIC INFUSION BECOMES ECONOMIC CENTRALIZATION
LUCIFERIC INFUSION BECOMES TECHNOLOGICAL ASTONISHMENT
LUCIFERIC INFUSION BECOMES THE DEGRADATION OF THE MASSES

Mix the most radical vicious evil with an almost total undetectable presence.... you can then begin to calculate the powers of satan, demons and the fallen ones. But until you know who, what, why and when this Luciferic agenda will unleash.... you may just think the world is just crazy and you are just a victim. That is how they like it! preying upon humanity only to use them as steppingstones to the ultimate goal.

The term I will use LUCIFERIC... here is my definition:

Satan, the demons and the fallen ones in all their real presence, practice, powers and purpose embedding their will-plans-control into all the structures of humanity. See Revelation 12 the global quest... to lead the whole world astray (assimilate them all).

Satan's presence and agenda when embraced by those who believe this (doctrine satanas) embrace 'luciferiansim', the belief that satan is the really the great shining one- the good guy....an 'angel of light' who promises to elevate humanity (like in the garden).

LUCIFERIC ... the masqueraded presence of satan and his agenda operating or infused into ideologies, lyrics, agendas.... even the collective mindset of the masses. This Luciferic principle and presence as it captivates *vulnerable - willing humanity* will lead the human race into all that biblical prophecy reveals ...into a Luciferic globalism with all its antichrist presence, control and final destruction.

²⁶ When the king of Moab saw that the battle had gone against him, he took with him seven hundred swordsmen to break through to the king of Edom, but they failed. ²⁷ Then he took his firstborn son, who was to succeed him as king, and offered him as a sacrifice on the city wall. The fury against Israel was great; they withdrew and returned to their own land. 2 Kings 3

¹⁸ Then the Spirit came upon Amasai the captain of the officers, *and he said,*

“We are for you, David,
and with you, son of Jesse.

Peace, peace to you,
and peace to the one helping you,
for your God helps you.”

So David welcomed them and appointed them as captains of the troops.

A former intelligence professional sheds new light on the obscure intersection of the military and the paranormal—the military-occult complex—and reveals the incredible story of psychic abilities turned into a weapon of war by the world’s soldiers and spies.

In the annals of military and espionage history, many strange tales have been told, but none can match the saga of psychic espionage—the history of the military-occult complex. With the flavor of fiction, yet with its foundation in fact, *The Psychic Battlefield* is the complete history of the use of man’s extrasensory powers in search of the information needed to win wars—hot and cold.

The Psychic Battlefield spans the five-thousand-year history of ESPionage, from the attempted overthrow of the Pharaoh Rameses by magic to the CIA’s use of military-trained psychics during the Cold War. It is a story as true as it is incredible.

The prize for producing a seventh child was to have the Reichsführer himself as its godfather. In a further departure from traditional social conventions, Himmler came to believe that Aryan types should also be encouraged to breed out of wedlock. It was he who inspired the Lebensborn (literally 'source of life') programme, which was designed to allow SS officers to sire children with selected concubines located in fifteen delivery suites-cum-kindergartens. Himmler was quite explicit about the objective of all this: 'To establish the Nordic race again in and around Germany and...from this seed bed [to] produce a race of 200 million.' 'It must be a matter of course that we have children,' he declared in 1943. 'It must be a matter of course that the most copious

breeding should be from this racial elite of the German people. In 20 or 30 years we must really be able to its ruling class.'

PART 3

LUCIFERIC INFUSION BECOMES ECONOMIC CENTRALIZATION

¹³ There was no food in all the land, for the famine was very severe, so that the land of Egypt and all the land of Canaan languished because of the famine.
¹⁴ Joseph gathered up all the money that was found in the land of Egypt and in the land of Canaan for the grain that they bought, and Joseph brought the money into Pharaoh's house. ¹⁵ When the money was all spent in the land of Egypt and in the land of Canaan, all the Egyptians came to Joseph and said, "Give us food, for why should we die in your presence? For our money is gone." Genesis 47

⁵ When He opened the third seal, I heard the third living creature say, "Come!" I looked, and there was a black horse, and he who sat on it had a pair of scales in his hand. ⁶ Then I heard a voice in the midst of the four living creatures saying, "A quart of wheat for a day's wages, and three quarts of barley for a day's wages, and do not harm the oil and the wine." Revelation 6

Proverbs 22:7

The rich rules over the poor, and the borrower is servant to the lender.

⁹ Then He called His twelve disciples together and gave them power and authority over all demons and to cure diseases. ² And He sent them to preach the kingdom of God and to heal the sick. ³ He said to them, "Take nothing for your journey: no staff, no bag, no bread, no money. And do not take two tunics apiece. ⁴ Whatever house you enter, stay there, and from there depart. ⁵ Whoever will not receive you, when you go out of that city, shake off the very dust from your feet as a testimony against them." ⁶ So they departed and went through the towns, preaching the gospel and healing everywhere.

The antichrist will have to have a very big checkbook

During the final days of World War II, German SS officers crammed trains, cars, and trucks full of gold, currency, and jewels, and headed for the mountains of Austria. Fearful of arrest and determined to keep the stolen loot out of Allied hands, they concealed their treasures and fled. Most of these men were eventually apprehended, but many managed to evade capture. The intensive postwar Allied investigation that followed recovered only a sliver of this mountain of gold. What happened to the rest of it, and what fate befell these men? **Nazi**

Millionaires: The Allied Search for Hidden SS Gold

A rather breathless account, first published in 1984 and updated for this edition, of what happened to the "Nazi gold" (and gold currency bonds, bank notes of various countries, coins, jewelry, paintings, and other goodies) that disappeared in the last days of the Third Reich. The immediate cause of its dispersal lay in a raid on Berlin on February 3, 1945 by nearly a thousand Flying Fortress bombers. The Reichsbank took 21 direct hits, and shortly thereafter the bulk of the gold reserves, weighing around 100 tons and requiring thirteen railway flat cars to transport them, were stored in a deep mine at Merkers, 200 miles southwest of Berlin. On April 4, this site was overrun by Patton's Third Army, which captured gold and currency worth some \$315 million at 1945 prices, in addition to 400 tons of paintings, the 3,000-year-old Egyptian statuette of Queen Nefertiti, and two million books. Sayer and Botting (*Hitlers Last General*, not reviewed, etc.) deal with what remained. They estimate the overall total of funds missing or stolen at \$433 million, worth nearly \$4 billion today. That figure includes \$3.6 billion in gold currency bonds seized by Red Army Intelligence, and quietly and efficiently marketed in later years (an intriguing episode unfortunately neglected here), and seven tons of gold from the German Foreign Office which the authors located in the Bank of England. A colorful crew of characters circle around or disappear with the remainder, but often Sayer and Botting get bogged down tracing two bars of gold here or voicing dark suspicions about what is being covered up by the US Occupation authorities there. Indeed, much of the latter part of their story deals less with Nazi gold than with the high living of occupation troops in Germany. Vivid investigative reporting is obscured by dust and cobwebs. LUCIFERIC INFUSION INCLUDES THE DEGRADATION OF THE MASSES

¹³ He said also unto me, Turn thee yet again, and thou shalt see greater abominations that they do. Ezekiel 8

¹¹ “Because Manasseh king of Judah has done these abominations, things more evil than all that the Amorites did, and has also caused Judah to sin with his idols, 2 Kings 21

⁹ even him, whose coming is in accordance with the working of Satan with all power and signs and false wonders, ¹⁰ and with all deception of unrighteousness among those who perish... 2 Thessalonians 2

They are clouds without water, carried along by winds; autumn trees without fruit, twice dead, uprooted; ¹³ raging waves of the sea, which are foaming up their own shame; wandering stars for whom the gloom of darkness has been kept forever. ¹⁴ Enoch, the seventh generation from Adam, also prophesied of these men, saying, “Look! The Lord is coming with ten thousand of His holy ones, ¹⁵ to execute judgment on everyone, and to convict all who are godless of all their wicked deeds that they have committed, and of all the terrible words that godless sinners have spoken against Him.” ¹⁶ These men are grumblers, complainers, who

walk after their own lusts. Their mouths speak arrogant words, and they flatter others to gain profit.

The study of Romans 1:18 to the end reveals the spiraling down of exchanging God for the finite, growing dark in their understanding.....building minds that become futile and a moral decadence that even changes /mutates the natural order.

Sin darkens the mind, the heart and changes a person personality. Sin opens the door for the demonic to work their will deeper and its clear in satanic rituals that moral decadence (even forced moral decadence) opens the door for demonic attachment and even possession.

4. Sorceries/ pharmakon

20But the rest of mankind, who were not killed by these plagues, did not repent of the works of their hands, that they should not worship demons, and idols of gold, silver, brass, stone, and wood, which can neither see nor hear nor walk. 21And they did not repent of their murders or their [f]sorceries or their sexual immorality or their thefts.
