DAY 12

Deuteronomy 7:25

You must burn the graven images of their gods with fire. You must not desire the silver or gold that is on them nor take any of it, lest you be snared by them, for it is an **abomination** to the LORD your God.

Deuteronomy 20:18

so that they do not teach you to participate in all their **abominations**, which they have done to their gods, causing you to sin against the LORD your God.

1 Kings 11:7

Then Solomon built a high place for Chemosh, the **abomination** of Moab, in the hill that is close to Jerusalem, and for Molek, the **abomination** of the children of Ammon.

2 Kings 21:11

“Because Manasseh king of Judah has done these **abominations**, things more evil than all that the Amorites did, and has also caused Judah to sin with his idols,

Ezekiel 8:6

He said furthermore to me, “Son of man, do you see what they do, even the great **abominations** that the house of Israel commits here, so that I should go far off from My sanctuary? But yet you shall see still greater **abominations**.”

By Russ Dizdar

I WILL FIGHT FOR YOU

**Through darkness of night
wipe the blood from my face
quite the tears
remember their pain**

**Feel the rage
despising evil that inflects
silence is not now
a war is afoot**

**They lust for innocence
they steal the dream
close your eyes
you can't stop seeing**

**Cloaked in skin of secrecy
drenched in red emotion
dark grin does crack
they love the hollow, faded they are**

**Sons and daughters of ancient hate
smeared with filth
stained with guilt
lost forever empty shells**

**Peel back the cover
Down them now
they know nothing else
they love the hollow, faded they are**

**Fight dear saint
stained with grace
fire burns
compelling love**

**No time to gaze
let fly the prayers
sink your grip
muster power divine**

**tick tic
the dark ones know
sickle will swing
tremble hell tremble**

**I will fight for you
distance seals nothing
wrapped in light
righteous rage I here your scream**

**I will fight for you
though nothing I am
I know another
once bruised He reigns**

**Set my face
swell my strength
those who cannot
He shall loose**

**I will fight for you
till snatched away
I will fight for you
till white robe I wear**

**You are worth the battle
Cross does speak
wood between the worlds
door of mercy do not close....no not yet**

**I will fight for you
value of heaven
I will fight for you
nothing else can buy**

**I know another
once bruised no more
rescue rages
He will not fade**

**He fights He fought
He lives He feels
He knows
all the tears He can stop**

**I will fight for you
don't lose sight
glory shall come
new day arrive**

**King Forever
let kingdom come
finish terror
let peace reign**

**King Forever
you fought for me
cannot let drift
so like You
I will fight for them ©**

DAY 15

Intro- In plain site/ NOT IN THE DEEP SHADOWS

Hosea 4:6

My people are destroyed for **lack of knowledge**.

¹³ Therefore My people go into captivity
because they have no knowledge;
and their honorable men are famished,
and their multitude dried up with thirst.

¹⁴ Therefore Sheol has enlarged itself
and opened its mouth without measure;
so their glory, and their multitude, and their pomp,
and he who rejoices shall descend into it.

¹⁵ The *common* man shall be brought down,
and the *great* man shall be humbled,
and the eyes of the lofty shall be humbled.

Isa 5

Your country is desolate,
your cities are burned with fire;
strangers devour your land
in your presence;
and it is desolate, as overthrown by strangers.

Isa. 1

I was then tested greatly, and found that God would come through. During this time, one my daughters (Hoji) chose to leave the group as well, in large part due to my testimony for Christ. She remembers (as I do, as well) being there when I was tortured for my faith in Christ, and that I whispered “I forgive you” to her and the others present (leaders of this organization). With this I want to add: “I want you to get free” to each of my loved ones who are still in the group. It really is possible to get free, and this book is my testimony to this fact. May it help and bless those who read its pages. svali

Tyranny of Secrecy “The very word 'secrecy' is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths, and to secret proceedings.” —John F. Kennedy . “For too long, judges have allowed the government to hide its mistakes behind claims of national security.” —Barry Siegel . “Secrecy does not assure either security or success. Executive lies and deception inflict severe and long-lasting damage to the nation.” - Louis Fisher . Secrecy, when used in the context of the Constitution, is an important safeguard for our nation’s interests. It defends America from the theft of national security information by foreign enemies bent on the destruction of our form of government. It protects the lives of our service men and women who serve on the front lines of war. It guards the lives of intelligence assets who have chosen to assist our country in the defense of democracy. But, secrecy is a powerful weapon and must be under the appropriate controls. Because secrecy contains, in itself, an inherent power, there must be checks on when it is used, and it must continually be under vigilant oversight by those who properly represent the American

A full-blown program activation is usually the result of a handler, controller, or programmer (these are part of the Illuminati mind control hierarchy) purposely triggering you to bring forward an ‘alter’ or alternate personality to perform a specific function. There are innumerable variables that can come into play. Yuri said that I was involved in the Montauk Project. Discussing anything related with someone who was also connected to it could assist with memory retrieval but also ran the risk of having a triggering effect.
